Make it Easier to Fund Your Accounts

Let us do the work for you. Direct deposit helps automatically add money to your 316 Financial account(s) from your paycheck or any other recurring income. No need to drive to the bank, or use mobile deposit on the app — get paid up to two days early! Once we're notified of an upcoming direct deposit, we'll go ahead and credit your account, up to two days early. This means faster access to your funds and less hassle.

IMPORTANT: Your employer may need a separate form or a voided check to process your direct deposit request.
